MF INDIA 2026

1st Metal Forming Show Chennai

from the organisers of **ACMEE**

MF INDIA 2026 1st Metal Forming Show Chennai

Metal Forming show is conceptualised as a dedicated industry event from the organiser's of ACMEE . As India continues its march toward becoming a global manufacturing hub, this specialized edition will serve as a strategic platform to connect industry stakeholders, foster innovation and accelerate business transformation.

MF INDIA 2026 will be a premier show showcasing the range of advanced technologies in metal forming machinery & equipment, forging, die cast, sheet metal forming machines, fabrication and so on. It offers a unique platform for micro small, mid-sized and large manufacturers to explore cutting edge machinery, equipment and processes under one roof. **MF INDIA** is designed to showcase latest trends and machineries from global manufacturers and aims to empower Indian manufacturers by providing access to world class innovations and best practices.

MF INDIA 2026 will offer industry professionals a unique opportunity to explore how these techniques can advance critical fields such as **Automotive, Aerospace, Railways & Defence OEMs**, Energy & more. Additionally, the event will act as a vital networking platform for professionals interested in adopting smarter, more sustainable production practices, encouraging collaboration and knowledge exchange that will drive the manufacturing sector forward.

MF INDIA 2026 is designed to showcase cutting-edge technologies from global manufacturers and to **empower Indian manufacturers**, by providing access to world-class innovations and best practices. By encouraging the adoption of advanced global technologies, **MF INDIA 2026** will boost **competitiveness**, drive **business growth** and help position **India's metal forming sector** as a key player in the global manufacturing landscape.

Exhibit Profile

- Sheet Metal Forming Machines
- Metal Forming Machinery & Equipment
- Testing, Inspection & Metrology
- Forging Technology
- Software Solutions
- Fasteners
- Laser & Plasma Cutting Machines
- Lubricants, Coolants & Consumables
- Automation & Robotics
- Die Casting
- Coating
- Wire & Spring
- Raw Materials

Space Booking

Exhibition space booking is facilitated through the event website www.mfindia.net. Details of booths types, participation charges, booking forms are available on the website.

Sponsorship Opportunities

MF INDIA 2026 presents **exclusive sponsorship opportunities** for industry stakeholders. To position their brand as a key player in India's Fast growing metal forming industry. For more details please reach out to the secretariat or visit www.mfindia.net

Organisers

Ambattur Industrial Estate, Chennai, is one of the biggest and well established Industrial Estates in India. As many as 2000 units in the Estate are engaged in the manufacture of a variety of engineering goods, notably auto components, light engineering goods, consumer durables etc. Ambattur Industrial Estate Manufacturers' Association, commonly known as AIEMA, is the representative body of units in the estate.

For over three decades, AIEMA has successfully organised ACMEE – International Machine Tools Exhibition. ACMEE has not only facilitated industry growth and business expansion but has also played a crucial role in supporting the socio-economic development of the nation and has also empowered MSMEs to adapt to emerging trends, adopt modern practices and stay competitive in a rapidly evolving marketplace.
